

SatyaVani GREEN HOMES

A new way of living

Now experience
living like never before!

SAROVARAM GREEN HOMES
KONDAPUR

Changing the way we live and use our resources, is the mission statement for the SatyaVani Group. Comprising of a group of proud visionaries who are committed to making living not just pleasurable, but clean and green as well!

With global warming proving to be a major factor today, the company has studied methods and evolved solutions that make a difference to the atmosphere by changing the way we build our homes and the way we use our resources.
