

## SatyaVani Homes green vision

SatyaVani Homes, a real estate firm, is planning to construct green homes intending to reduce the carbon emission into the atmosphere. The company plans an investment of Rs 400 crore in the next three years. The company has already signed agreements with a California based NRI funding agency Amitayus Investments LLC to invest \$5 million through FDI route. The company has identified four sites in Hyderabad to build green homes - flats and villas - including Kondapur, Begumpet.
